Klan Takes On New Image

Slicked-Up Klan

By FRED FARREL

When I was a boy, I attended a meeting of the Knights of the Ku Klux Klan. The meeting took place in a cow pasture. A fiery cross was burned. On that occasion, Mr. Herbert Clark Hoover, who was running for the Presidency on a platform of two cars in every garage and two chickens in every pot, was roundly endorsed. Mr. Al Smith, also known to Prohibitionists as "Ale Smith," was condemned. That was long ago and far away. The United Klan today is a different story. Both those who are for it and those who are against it ought to know about the changes which have taken place.

Dan Zbin, Klokian of the Fort Lauderdale, Florida chapter of United Klans, says pointedly, "We have to get out of the cow pasture." Physically, the Klan has left the cow pasture far behind. Meetings and banquets now are likely to take place in first-class hotels or restaurants. The Klan is also struggling to leave the cow pasture behind intellectually as well. There is the instinctive feeling that the sharp, fast, and deadly battle going on today does not fit into the old pattern. We no longer have merely the problem of deciding between Herbert Clark Hoover, and "Ale Smith." We are faced with a determined and well-organized effort to destroy the white culture and the white race.

Today the Klan members feel the danger of mongrelization breathing down their necks. As I attended a Klan meeting recently in Fort Lauderdale, Negro militants were breaking the windshields of passing cars with rocks on Sunrise Boulevard. An itinerant do-gooder from the Ford Foundation was busy promoting interracial dating in the middle schools. A Federal Court had just ordered the wholesale bussing of pupils to achieve what is called "A good mix of black and white." None of this is in accordance with the wishes of the Klansmen.

The Klan credo says, "WE BELIEVE in white supremacy. The Klan believes that America is white man's country and should be governed by white men. Yet, the Klan is not anti-Negro. The Klan is the Negro's friend. The Klan is eternally opposed to the mixing of the white and colored races." This authentic voice of the old WASP America is in sharp opposition to the attitudes of the Liberal Establishment, which now considers any idea that the white race is worth anything is wicked and sinful. The mass media have made a virtue of the destruction of whiteness.

Today the Klan concentrates on RACE. "The religious issue" has faded into the background. Mainly, religion itself has declined to the point where it hardly seems worth an argument. Both Protestant and Catholic churches have been so badly infiltrated with Communists and mongrelizers that the words "Catholic" and

Voice of Combat

By JOHN S. SULLIVAN

As we approach the crisis point, the hour of decision in the great world-historic struggle between the last beleaguered defenders of Western Christian culture and the surging forces of revolution and nihilism, the importance of a journal such as ours cannot be exaggerated.

More and more people are beginning to ask — WHY? Why the decay of our faith and morals? Why drugs? Why mongrelization? Why a government seemingly bent upon corrupting and degrading its own citizens? Why a ruling and possessing class ridden with decadence? Why the power of parasitic alien minorities? Why Vietnam? Why a polluted environment? Why the tyranny of taxation? Why a foreign policy which as its latest horror is preparing a fresh slaughter of our youth in defense of the bandit State of Israel? In brief, why must America die? And, most important of all, WHO OR WHAT is behind our descent into the dustbin of history?

If America is to be saved — at present a very doubtful development — the correct answers to these questions must be given and then understood and acted upon by those Americans who still stand upright, who have so far refused to bow before the malignant tyranny which rules us, those Americans whose powers of perception have not been blotted out by materialism, irratomania and a depraved educational system.

For the past 25 years only COMMON SENSE has dared to tell the American

50 Phony Arguments

By BEN KLASSEN and AUSTIN DAVIS

Due to lack of space, we cannot publish all fifty excuses made by "good people" NOT TO SUPPORT those really fighting the enemies of Christ. Excuses, excuses, excuses ... what is yours? If you want the rest of the stereotype excuses, send a stamped self-addressed envelope to American Bookstore, 882 North Federal Highway, Pompano Beach, Fla. 33062.

Don't you think that attacking the Jews will be divisive to the conservative movement and perhaps even wreck it?

Ans. The objective is not to preserve the "conservative" movement but rather to preserve our White Race, our Christian Faith and our Nation. Telling the truth cannot hurt the conservative movement, but will strengthen it. It will, however, expose the Kosher Conservatives who have usurped leadership and who are zealously protecting the Jews.

I am not going to attack anyone on a religious basis.

Correction: The Jewish religion and race are inseparable. They certainly are out to attack and destroy our Christian faith. Bernard Lazare, a Jew, says, "The Jew is not satisfied with de-Christianizing. He Judaizes, he destroys Protestant or Catholic faith, he provokes indifference but he imposes his idea of the world of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ."

Since the Jews are part of the White race why would they want to destroy their own kind?

Ans. The Jews do not consider themselves as part of the white race. Professor Leonard J. Fein says: "We are not White symbolically, and we are not White literally. We should not permit ourselves to be lumped together with White America, for that is not where we belong."

What do you want to do — Kill all Jews?

Ans. No. The objective is to prevent the Jewish Marxist conspiracy from slaughtering the White Christian people as they did in Russia after the Bolshevik Revolution. In order to protect ourselves, we must — by whatever means — drive them from power — in government, finance, education and propaganda. In short, render them incapable of destroying us.

I can't put all the blame on the Jews. It would let too many gentiles off the hook. (Medford Evans).

Correction: We are not letting any Gentiles who are traitors to their race, off the hook. (We're not letting Medford Evans off the hook either.)
